

Daily 6-Trait Writing

Dynamic trait-based writing instruction that fits into any writing program!

Help students develop trait-based writing skills using 125 engaging lessons. *Daily 6-Trait Writing* is the first teaching resource to provide students in grades 1–6+ with 25 weeks of daily practice and instruction on trait-based writing skills. 160 pages. \$29.99 each. **Correlated to state standards.**

\$29.99
each

Teachers love *Daily 6-Trait Writing* because it...

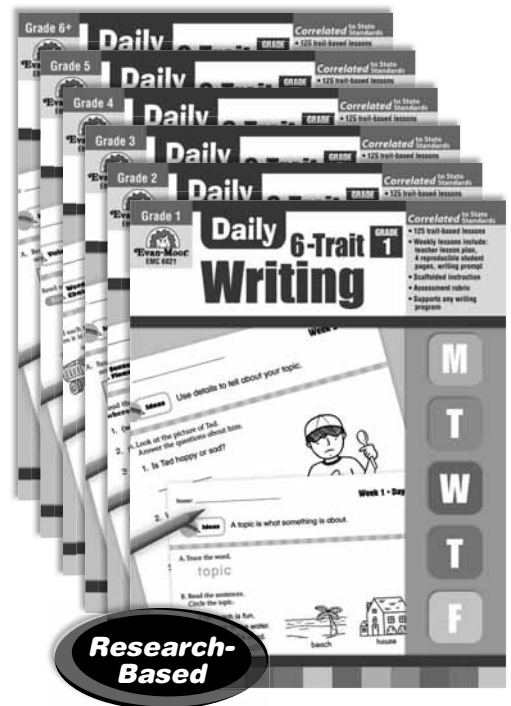

- contains scaffolded lessons and activities to help target the specific skills students need most.
- helps students think critically about writing while evaluating and assessing various forms of writing.
- contains frequent, focused practice that strengthens writing fluency.
- provides opportunities for students to write in a variety of forms, including narrative, expository, descriptive, and persuasive.
- is research-based and correlated to state standards.

Research-Based

Days 1–3

Provides writing activities and models for students to analyze, revise, or add to.

Day 4

Provides students with a prewriting form to help them approach writing in logical, structured ways.

Day 5

Asks students to apply their new skills while responding to a writing prompt.

Grade 1
