## Take It to Your Seat Center Activities Workshop

Centers are a wonderful, motivating way for students to practice important skills. Ideal for small groups and individual practice, this workshop will show you how to use these portable, self-contained centers in your classroom!

Each center includes teacher directions and full-color materials to construct the centers, including sorting mats, task cards, and reproducible activities.

Folders for Skill Practice

Literacy • Phonics • Math • Science • Geography

Guaranteed to be the most informative and entertaining hour you have ever experienced in an educational workshop. You will learn practical information that will provide easy-to-adapt tips and strategies to enhance any curriculum designed for young children. You will gain teacher-tested ideas, patterns, activities, and projects that you will want to use in your classroom the very next day!

Participate in making an educational, as well as decorative, center that your children are sure to love. You will be provided with the necessary materials (scissors; a stapler; a large clear envelope, plastic bag, or two-pocket folder; and two-sided tape). The centers will be complete and ready to use immediately!
